

# “Take Another Look” Itinerary

## Inventively Relaxing

### INVENT NOW MUSEUM & STORE

Opening September 7<sup>th</sup>, its first exhibit ~The Art of Invention~ showcases works of art that have been culled from inventions, patents and trademarks. Visitors can admire the beauty in the work of many of the designers, along with items on display that are on loan from the Summit County Historical Society. For souvenirs, a retail counter provides innovative products and apparel. Monday-Friday 10 am-4 pm.

### THE LOCKVIEW

Rooftop dining or inside in the well appointed eatery will delight you as the menu is varied and offers salads made to order and soups that are homemade. However, the house specialty is the grilled cheese sandwich oozing goodness and made the traditional way, or created with exciting fillings on a variety of breads of which there are nine to choose from (or mix and match).

### THE WINERY AT WOLF CREEK

A year-round destination... enjoy the most awesome view from the tasting room which overlooks a beautifully serene lake. Take a tour of the winery (about 45 min.) then sip some of the award-winning wines in the Great Room or out on the spacious deck. Also available for purchase are snack baskets or you can bring your own picnic.  
2637 S. Cleveland-Massillon Rd. 330.666.9285.
