

A "Take Another Look" Itinerary

A FLOURISH OF IMAGES

THE HERONRY IN BATH

Each year, great blue herons return to nest at the Bath Road heronry in the Cuyahoga Valley National Park. March is a great month to plan your visit to this bird watching area as the herons are active in a number of ways. Bring your binoculars for an up-close look at these majestic birds and a camera to capture the action. The viewing area is accessible from a pull off lane found on Bath Road, east of Riverview.

PUB BRICCO

Located in the valley area, the lovely exterior welcomes you to step in and enjoy the comfortable atmosphere that surrounds the delicious menu items. Choose from signature appetizers like the fried dill pickle, a favorite salad with white French dressing, roasted poblano black bean chili, your choice of sandwiches or gourmet hamburgers with a side of house-made chips.

A PIECE IN TIME

Bright, natural light, open spaces and high ceilings are the key to displaying not only class models, but quilts for sale! Walk around and find a new pattern or piece of cloth to shape into that treasured quilt or let your imagination take over... it's amazing what you can do with 2 1/2" strips of fabric. Guild tours and buses are welcome with advance notice. Open every day.
